To Parents

The School is the Place where children get their education and training in citizenship. It is essential for character formation.

In Order to secure the best education for your child, maximum cooperation between parents and the School authority is essential.

We request the parents to check this diary daily to see that the lesson and home work assigned for the next day is completed by the child and also done neatly. Children should be encouraged to do their home work by themselves. Parents must sign the diary on a daily basis.

You are requested to see that your ward attends the school regularly and in proper prescribed uniform, which is well ironed.

Parents are not allowed to meet their child/Children or interview the teachers during school hours without the permission of the Principal.

Parents are requested to see that the children are punctual for the morning assembly.

Parents are responsible for the safety of their child if left early in the morning or taken home too late after classes.

All Parents are expected to attend parent teachers meeting as per the school calendar.

Parents shall cooperate in case there is a sudden closure of the school due to a local bandh or any other circumstances beyond control.
